Introducing the BC Now Offer

Your transition to the cloud is more than an upgrade—it's a pivotal step toward a more intelligent, efficient, and resilient future. We've designed this exclusive offer to remove financial barriers and accelerate your journey, ensuring your business is equipped for the next wave of innovation.

The BC Now Offer

Three powerful incentives to maximize your savings on software and services. BC Now strategically designed to cover every angle of your migration, from licensing discounts to funding for your implementation and AI deployment.

BC Migration Voucher

Up to \$150K Off Migration

Receive a credit or voucher equal to 100% of your total first-year software subscription cost. This credit can then be used to reduce the cost of deployment and migration services.

AI Deployment Voucher

Up to 20% Off Deployment

Receive a voucher equal to 20% of your total first-year software subscription cost. This credit can then be used to reduce the cost of deployment services.

Licensing Discount

30% Off Licensing

Receive a 30% discount directly off the price of your Business Central software licenses for the first year.

Why Dynamics 365 Business Central

Dynamics 365 Business Central is at the forefront of innovation, empowering over 45,000 customers worldwide. With an expanding suite of Copilot capabilities - and now autonomous agents - Business Central delivers unmatched efficiency for SMBs seeking a seamless, AI-powered business management solution that integrates effortlessly with Microsoft's productivity and collaboration tools.

Migrating from Dynamics GP or SL to Business Central is more than just a system upgrade—it's a strategic step toward digital transformation. And we know that your expertise is crucial in guiding customers through this transition.

Stay at the Forefront of Innovation
